

April 2022

Dear Pam,

I am so sorry to hear about your recent diagnosis and all you've endured. I see Bert on most Thursdays at the State Botanical Garden and she has kept me up to date. I think on our days with Meridian and wish we could all go back and sing together again. I miss it. Take care and know that you and your family are in my thoughts and prayers.

Love you,

Alan

Dear Mrs. Barker,

Happy Mother's Day!

I know there have been brighter days, but we are thinking of you and keeping you in our prayers. It is

so wonderful to have Greta as a best friend. She has so many wonderful qualities and I know you are proud.

I was out picking wild flowers for my sunprints and

day. Thank you for
these oak leaf hydrangeas
from your yard!

Sending our love,

Marbray Myers
(and Matt, Dalton, Madeleine & Davis)
