

Dear Bruce, Greta and Robin,
When I think of Pam, I think
of flowers and water gardens.
You have had some of the most
amazing water gardens of the
years! The flower garden at
the end of the gate was the
last place Pam and I visited
before she fell. The flowers there
are amazing! Pam and I
didn't see each other often
but when we did there was
always conversation about
our children. We both bragged
and were proud. Of course
there is so much to be proud
of! When I saw Pam the other
day, she was lying there in
her tiny little body asking,
"how are the grandkids"?
How many people would ask
that when they were feeling
so bad? I showed her pictures
of the grandkids and we
talked about Robin and what
he does at Cumberland. I
will miss our conversations!
Life can be too short but we

will never forget the ones we
care for and love.

Healing wishes
for you,
and your family...
for right now,
and for the days to come.

Your neighbor
and friend,
Dudy

Dear Bruce,

I am so very sad to hear of Pam's passing. I truly regret not keeping in better touch after we moved.

I have wonderful memories of our "playgroup" when our babies were tiny - Pam, Katy Conti, Barb Edwards, etc. We all learned from each other and forged wonderful friendships. Pam was an important part of that group.

And Pam persuaded me to join Meridian, an experience that gave me much joy and pleasure.

My heart goes out to you - I can't even fathom your loss.

Here is a lyric from The Incredible String Band song "A Very Cellular Song" may it give you a little comfort:

"May the long time sun shine upon you, all love surround you,
and the pure light within you, guide you all the way on."

If you ever make it up to New England, I hope you'll visit! Don't be a stranger! I would love to stay in touch, but I know you have many good friends and family...

Have a good day!
