

Dear Bruce,

It is with great sorrow that I learned of Pam's death - and I know what a blow you and your children have suffered. We have (all) lost someone very special.

I had the good fortune of meeting Pam at "The House of 10,000 Frames" in 1985. The walls in my house are proof

of her excellent framework. She has framed everything from baby and adult pictures to handkerchiefs and jewelry - and even my late husband's poetry and fishing lures! Everything Pam touched was done to perfection - and in such great taste.

Even though we lost touch over the years, the impression Pam made early on is the kind of mark that

(over)

doesn't fade with time. Aside from business, I will always remember her kindness, her unpretentious ways and the generous time she always gave to her customers. She was amazing!

May the joys you knew and shared for so many years bring you peace and comfort now and in the days ahead.

My thoughts are with you and your family.

Sincerely,
Betty

Dear Bruce,

While we were away we learned that Pam passed away. Frankly, it's hard to get my head around it. I'm so used to seeing both of you cheerfully walking with Aspen & Clio, and having a nice chat about whatever.

We are both sorry and know
this must be a difficult
time. If there is anything

Whatever helps and heals you...
that's what you're wished
today, tomorrow,
and in the days ahead.

Thinking
of you

we can do please let us
know. Feel free to call me
if you think you'd like to
go on a ride or whatever.

Sincerely, Patti & Pierre
